

Technology Integration and Innovation Specialist

(GOVERNING BODY POST)

Ideally to begin in the third quarter of 2022 but negotiable depending on the successful candidate's circumstances

Rondebosch Boys' High School requires the services of a dynamic full-time Technology Integration and Innovation Specialist. The ideal candidate will demonstrate a passion for education, innovation, working with teachers and students, and promoting the use of technologies to support learning.

Job Responsibilities

- Collaborate with teachers across all learning area and phases in planning the integration of technology into the curriculum and supporting teachers as they implement the lessons in their classrooms.
- Work with teachers to develop and implement technology-enhanced curriculum integration projects.
- Assist teachers in using technology effectively for assessing student learning, differentiating instruction, and providing rigorous, relevant and engaging learning experiences.
- Engage in ongoing learning to remain current in emerging technologies, trends, and research, and model effective practice in 21st-century teaching and learning strategies.
- Support Rondebosch Boys' 1:1 program (iPad).
- Support the growth of our STEM curriculum by planning lessons and providing instruction for students in the areas of (but not limited to),
 - Coding (i.e. Scratch) to junior technology classes
 - Robotics (to be considered for implementation)
 - Problem/Project-Based Learning
 - The Design Process in the technology classroom
- Create, Maintain and update a web-based platform for instructional INSET learning for educators.
- Assist with co-curricular programs where appropriate.

Position Requirements

- Bachelor's Degree (with teaching qualification)
- Postgraduate degree and/or advanced coursework in instructional technology is preferred.
- Knowledge of current classroom technologies such as interactive whiteboard software, LMS software, Microsoft Office 365, Google Apps for Education, etc. Apple and Google in Education certification strongly recommended.
- Proficiency in managing both Mac (iPad and laptops) and PC devices.
- At least 3 years prior experience.

Suitably qualified teachers / specialists are invited to submit a detailed curriculum vitae (including names of two recent, contactable referees), together with certified copies of qualifications, SACE registration (registered or pending) and ID document, to the Headmaster via e-mail to: the.headmaster@rondebosch.com

APPLICATIONS CLOSE: 22 July 2022

If you do not hear from us by 31 July 2022, please consider your application unsuccessful.

Rondebosch Boys' High School promotes and applies the principles of employment equity.

In line with our employment equity and diversity strategy, equity policy, plan and targets, preference will be given to suitably qualified candidates from the designated groups. RBHS reserves the right not to proceed with the filling of this post.

An application does not automatically entitle the applicant to an interview.
