

2023 Teacher Internship Opportunity Mathematics

- Are you currently studying for a PGCE in Maths Teaching – or in your final year of a B. Ed degree?
- *Rondebosch Boys' High School*, in conjunction with *Epoch & Optima Trusts*, is offering an exciting teacher internship position for aspiring **Mathematics teachers for this year, 2023**.
- This opportunity allows for a real teaching experience in a highly functioning school, as well as the possibility of full-time employment should a Mathematics position become available in 2024.
- Applicants must be enrolled in a PCGE programme in Mathematics Teaching, or in their final year of a B.Ed through correspondence in 2023.
- **We are committed to equal opportunity for all prospective staff and applications from individuals from previously disadvantaged groups are especially encouraged.**

Application closing date: Wed 22 March 2023

The position will involve:

- Co-teaching at least two Mathematics classes at Rondebosch Boys' High School for the duration of the year.
- Mentoring by an experienced, qualified teacher.
- Involvement in other learning areas as per the candidate's qualifications.
- Participation in the varied extra-curricular activities at RBHS.

Remuneration will include:

- A contribution to tuition fees.
- A small monthly stipend.
- A contribution to accommodation costs.
- The use of a laptop.

Interested applicants to submit the following:

1. **A letter of application** addressed to the Headmaster.
2. **A Short Curriculum Vitae** with at least two contactable references.
3. Certified copies of your **degrees and results**.
4. Certified copy of your **ID document**.

Please submit these documents via email to the Headmaster.

Email: theheadmaster@rondebosch.com

If you do not get contacted by the 31st March 2023 please consider your application unsuccessful.
